can appreciate the challenges a newsletter editor experiences when he or she starts working on a monthly or quarterly publication. Not having regular submissions from others, there are times, I spend hours just searching for something timely or relevant to include in this circular. In the end, I didn't have much to say.

Thank you for your efforts to commemorate Michigan in the Civil War.

Michigan Remembers Gettysburg -

I wasn't going to comment on this because I'm beginning to sound like a broken record. I'll say this - the book will be completed sooner than later and it's going to be great.

Information about the sale of the retired Gettysburg flags and the tins that carried the soil from Michigan to the graves of the

175 Michigan men buried there will be available the first week of May.

Stay tuned and thanks again for your patience.

Traveling Lincoln Exhibit -

[Spring Lake \(MI\) District Library](#) is just one of 50 institutions across the nation chosen to host a unique, historical traveling exhibition about the 16th president of the United States - Abraham Lincoln.

The exhibition, "Lincoln: The Constitution and the Civil War," will take place from April 2 through June 13.

On Wednesday, May 28 at 7 PM, I will give a presentation on Annie Etheridge, Civil War nurse from Michigan. I will be joined by my daughter Bernadette (portraying war-time Annie) and my wife Marcia (portraying Annie's post-war years).

The library address is: 123 E. Exchange Street, Spring Lake, MI 49456
